AKRAM ASHRAF ABDELBASIR

Junior Front-End Developer | ReactJs

📞 +20-11-5854-1832 @ ashrfakrm64@gmail.com 🔗 linkedin.com/in/akrmm
📍 6th October, Cairo, Egypt. 12573

SUMMARY

Aspiring web developer with 1-3 years of experience, interested in web development, typography, web design, color theory, database management systems, computer basics, and problem-solving skills. Configuring and testing user interface components for responsive websites is where I currently put my attention.

PROJECTS

FLEXBOX VISUALIZER

📅 08/2022 - Ongoing
🔗 https://flexbox-visualizer-tool-2b635.web.app/
A Responsive playground tool demonstrates how CSS flex truly functions.
- **Technologies:** HTML – SASS/SCSS – React JS – JavaScript
- **GitHub:** https://github.com/Ak-ram/flexbox-playground

SOCIAL MEDIA WEBSITE

📅 07/2022 - 08/2022
🔗 https://social-media-97315.web.app/
Responsive Social Media Website, with features like theme customization, add-bookmarks, Search functionality, and more.
- **Technologies:** HTML – SASS – Vanilla JS
- **GitHub:** https://github.com/Ak-ram/social-media

QURAN-PLAYER

📅 08/2022 - Ongoing
🔗 https://csb-hlsc0d.netlify.app/
Responsive audio-player built with ReactJS
- **Technologies:** ReactJS – CSS
- **GitHub:** https://github.com/Ak-ram/quran-player

TODOIST-APP CLONE

📅 03/2021 - 04/2021
🔗 https://to-do-list-598f1.web.app/app
Daily to-do lists are exceptionally useful for daily tasks management as they allow you to avoid unnecessary distractions.
- **Technologies:** HTML – CSS – Vanilla JS
- **GitHub**: https://github.com/Ak-ram/progression-tracker/tree/master/Projects/Todoist
